

39th Annual GATOR GOLF DAY

The University of Florida Men's and Women's Golf Teams invite you to the 39th Annual Gator Golf Day. The format includes your foursome with a current golf team member as a captain. One low net and one low gross score per hole. The same ball cannot be used for both net and gross scores. The Gator Golf Day committee will be verifying handicaps. It is important to include your current USGA established handicap, the name of your home golf course and the phone number of your golf professional. We have no reserved hotel rooms but have included a list of local hotels and their phone numbers. Please call early as rooms will be hard to find for the weekend.
